## Contact

Tel: 818-935-2524

E-mail: <mailto:craig@cjehost.com>

Website: [craig@cjehost.com](http://craig@cjehost.com)

## Address

5442 Woodman Avenue, Sherman Oaks, CA 91401

## Profile

**Objective** I am seeking freelance/contract web development positions.

**Bio** I am an experienced WordPress developer (see Portfolio) as well as an expert level programmer in open source technologies (i.e. PHP & MySQL), CSS, ASP, ColdFusion and JavaScript/JQuery. I am comfortable working in Linux, Unix and Windows server environments. I maintain websites for corporate level as well as small business clients. I have a great understanding of Search Engine Optimization. I also enjoy teaching and have taught web design and programming at the Pennsylvania Academy of Fine Arts.

**Availability** Ongoing

## Key Skills

Proficient or familiar with a vast array of programming languages, concepts and technologies, including:

HTML, CSS, JQuery  
Linux, Windows, UNIX

PHP, ColdFusion, ASP  
MySQL, MS Access

WordPress, Joomla  
Search Engine Optimization

Social Media  
Email Marketing

## Work Experience & Portfolio

[cjehost.com](http://cjehost.com)
